

# VertiKlean® & VertiKlean® Max Mop head frames

Autoclavable QuickConnect™ frames for VertiKlean® and VertiKlean® MAX™ mops

## Description

The autoclavable frames for Contec's VertiKlean and VertiKlean MAX mop heads have Contec's QuickConnect handle adapter which enables use with a wide variety of telescoping and fixed length handles. The aluminum and stainless steel construction is lightweight yet durable. All of the mop head frames listed may be sterilized by most common methods including gamma irradiation, ethylene oxide, or autoclave. Autoclavable at 121°C for 30 minutes.
