SPEEDY PLASTIC FRAME 40X11 CM.WITH DARK BLUE PLATE

Product

SPEEDY plastic frame for floor wet mopping 40x11 cm

Use

Our Speedy frame has been designed for the floor wet mopping using any flat mop head with side flaps. Just press the red button, the frame will close 180° and the flap mop head will be still hanging; this operation allows to rinse and wring the flat mop head. In order to release completely the dirty flat mop head, just open the side plastic flaps of the frame and get the mop away.

Features

- * Frame for floor wet mopping completely made of recyclable and shock-proof plastic material
- * If the red button on the upper part of the frame is pressed down, the frame will open and it will be possible to wring the flat mop head
- * This frame is equipped with two side plastic flaps with two hooks used to fix the flat mop head
- * The universal screw allows to use any kind of handle with a diameter going from 20 to 24 mm
- * Its articulated joint allows a 360° performance
- * Available in the sizes 50x13 cm and 40x11 cm
