SMART-FUR WHITE MICROFIBER MOP 45X11 CM WITH BACKING FOR VELCRO SYSTEM

Product

SMART-FUR - microfiber mop with backing for velcro system

Use

It is suggested for floor dusting and mopping of inside smooth floors in case of middle low dirt.
It can be used with all mop holders with strips for velcro system.

Features

- * 100% microfiber with short yarn
- * Microfiber traps and absorbs any finest particle of dirt leaving a clean surface, and releasing the dirt during washing
- * High absorbing capacity: more than 4 times of its own weight, large surface coverage and quick floor drying
- * Very good removal and collection of dirt, even if used dry
- * Higher hygiene: it removes up to 99% of bacteria and fungi used with disinfections systems
- * Very short yarn in order to avoid any yarn loses during the washing
- * Made in Italy
- * No latex
