POWER-FUR MICROFIBER MOP WITH ABRASIVE INSERTS 45X 11 CM WITH BACKING FOR VELCRO SYSTEM

Product

POWER-FUR - White microfiber mop with black stripes, with backing for velcro system

Use

It is suggested for floor damp dusting and mopping of inside rough and unsmooth floors in case of middle high dirt. It can be used with all mop holders with strips for velcro system.

Features

- * 100% microfiber with short yarn
- * Microfiber traps and absorbs any finest particle of dirt leaving a clean surface, and releasing the dirt during washing
- * Stubborn stains removal: the polypropylene stripes grant a great degreasing action even on the most difficult dirt
- * High absorbing capacity: more than 3 times of its own weight
- * Perfect mop running
- * Higher hygiene: it removes up to 99% of bacteria and fungi used with disinfections systems
- * Very short yarn in order to avoid any yarn looses during the washing
- * Made in Italy
- * No latex
