

Cleanroom Paper

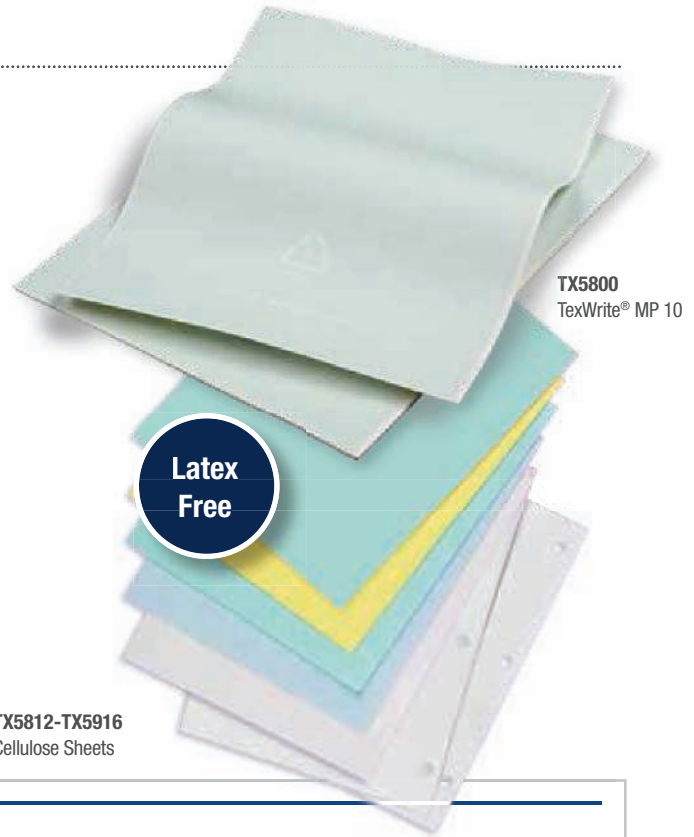

Texwipe's TexWrite® Cleanroom Paper offers a complete stationery system for critical and controlled environments.

- 100% Synthetic Sheets**

TexWrite® MP10 is designed for ultraclean environments that cannot tolerate cellulose contamination. A unique 100% synthetic sheet with outstanding performance characteristics, this paper construction prevents particle contamination, ink smearing, and the need for lamination.

- Cellulose Sheets (polymer-reinforced)**

TexWrite cellulose is cleaner and more consistent for your cleanroom than conventional bond paper. Constructed of 100% virgin pulp without inorganic fillers, this paper is titanium dioxide and calcium carbonate free. The polymer reinforcement is latex-free and helps reduce particle generation as compared to conventional bond. Precision cut for jam-free performance and ideal for use in any type of printer or copier.

Synthetic Sheets

US letter size, 100% synthetic sheet, unlined, 5 packs/box

Product Number	Name / Description	Color	Packaging
TX5800	TexWrite® MP 10, white/blue-green		100 sheets/pack

Cellulose Sheets (polymer-reinforced)

TexWrite® 18

US letter size, light weight paper stock, unlined, 10 packs/box

Product Number	Name / Description	Color	Packaging
TX5862	TexWrite® 18 Loose Sheets, blue		250 sheets/pack

TexWrite® 22

US letter size, medium weight paper stock, unlined, 10 packs/box

Product Number	Name / Description	Color	Packaging
TX5812	TexWrite® 22 Loose Sheets, blue		250 sheets/pack
TX5814	TexWrite® 22 Loose Sheets, yellow		250 sheets/pack
TX5815	TexWrite® 22 Loose Sheets, white		250 sheets/pack
TX5831	TexWrite® 22 Loose Sheets, green		250 sheets/pack

3-Hole Punch Paper

US letter size, medium weight paper stock, 3-hole punched, unlined, 10 packs/box

Product Number	Name / Description	Color	Packaging
TX5816	TexWrite® 22 3-Hole Punch Sheets, blue		250 sheets/pack
TX5916	TexWrite® 22 3-Hole Punch Sheets, white		250 sheets/pack

TexWrite® 30

US letter size, heavy weight paper stock, unlined, 7 packs/box

Product Number	Name / Description	Color	Packaging
TX5832	TexWrite® 30 Loose Sheets, white		250 sheets/pack

Notebooks & Adhesive Pads

Documented Clean

Texwipe's notebooks and note pads are ideal for documentation and storage of notes/records in cleanrooms. Available in spiral and hardbound options.

Adhesive Note Pads

Featuring a proprietary temporary adhesive strip, this low contamination, polymeric elastomer allows TexNotes® to be attached and removed without high residue. Made with TexWrite® 22 and cleanroom packaged. Pads measure 3" x 4", 72 sheets per pad.

Cleanroom Journal

Designed as a legal document, this hard-bound journal contains dual signature lines plus project and notebook number identification. The covers are protected with a Mylar® gloss film laminate and the pages are sewn with silicone free thread. These features provide security to support Good Laboratory Practice (GLP) for documentation in critical laboratory and manufacturing environments.

Spiral-Bound Notebooks

Featuring high-density polyethylene covers, plastic spirals and TexWrite® 22 cleanroom paper, the spiral bound TexWrite® notebooks are ideal for critical environments. Printed with IPA resistant, low-sodium ink for reduced ionic contamination. Notebooks lie flat and pages rotate freely for ease of use. Available in 8.5" x 11", 8.5" x 5.5" and 3" x 5" sizes.

Cleanroom Spiral-Bound Notebooks

Adhesive Note Pads

Product Number	Name / Description	Packaging
TX5820	TexWrite® Adhesive Notepads 3" x 4" (76 mm x 102 mm), blue paper stock, unlined	72 sheets/pad 10 pads/box (case)

Cleanroom Journal

Product Number	Name / Description	Packaging
TX5708	Cleanroom Journal, TexWrite® 8½" x 11" (216 mm x 279 mm), blue paper stock, college ruled, numbered pages	10 notebooks/box (case)

Spiral-Bound Notebooks

Product Number	Name / Description	Packaging
TX5740	Cleanroom Spiral Notebook 8½" x 11" (216 mm x 279 mm), white paper stock, college ruled	10 notebooks/box (case)
TX5741	Cleanroom Spiral Notebook 5½" x 8½" (140 mm x 216 mm), white paper stock, college ruled	10 notebooks/box (case)
TX5742	Cleanroom Spiral Notebook 3" x 5" (76 mm x 127 mm), white paper stock, college ruled	20 notebooks/box (case)

Binders & Clipboards

Metal Free

TX5810
Three-Ring Binder

Cleanroom Three-Ring Binder

Designed for cleanroom equipment manuals, operating procedures and work instructions, the TexWrite® three-ring binder features a durable polyethylene cover with a plastic ring mechanism. The rings open quickly with a single-sliding tab for easy changes to binder contents. All-plastic construction ensures cleanliness and corrosion resistance for long life.

Features:

- 1" capacity (25mm)
- Polyethylene cover
- Slide-tab plastic ring mechanism
- 100% metal free
- Chemical resistant
- Individually cleanroom packaged

Three-Ring Binders

Product Number	Name / Description	Packaging
TX5810	Cleanroom Three-Ring Binder, 1" (25 mm), capacity slide ring mechanism	10 binders/case

Cleanroom Clipboard

Ideal for portable writing needs in critical environments, this unique and durable clipboard is constructed of rigid polypropylene with a durable plastic clip mechanism for long-lasting use. Clipboard size is 9" x 13" and works well with both 8.5"x11" and A4 paper.

Features:

- Rigid polypropylene
- Chemical resistant
- Suitable for use with 8.5" x 11" or A4 paper
- Securely holds 1–50 sheets of cleanroom paper
- Cleanroom packaged
